

# Health Insurance Marketplace Open Enrollment

## Is the Affordable Care Act (ACA) still law?

**Yes, the ACA is still law.** On October 12, 2017 an executive order was signed by President Trump to end the cost-saving subsidies that some low income families and individuals receive to reduce out-of-pocket costs for health care. However, less than a week after this executive order was signed, a tentative plan was proposed to allow the subsidies to remain active for two more years. Although policy discussions are still taking place, ACA open enrollment on Missouri's Health Insurance Marketplace will still take place.

The ACA is still the law of the land and those who qualify will receive cost-saving subsidies.

For more information visit [HCCNetwork.org/aca](http://HCCNetwork.org/aca) or [CoverMissouri.org](http://CoverMissouri.org).

## Once I enroll, when does coverage begin?

Coverage begins January 1, 2018.

## What do I need to enroll?

1. Information for those you are enrolling (name, age and birth date).
2. Insurance information if you or others in your household are insured.
3. List of current doctors and medicines.

## How do I enroll?

Lexington, Mo.-based Health Care Collaborative (HCC) of Rural Missouri has trained certified application counselors that help individuals and families enroll in Missouri's Health Insurance Marketplace. They will answer your enrollment questions, see if you qualify for Medicaid, Medicare, or help with enrollment during the Marketplace's special enrollment period. HCC also has a variety of programs and resources to help individuals and families if they need it.

For enrollment support, or for more information, call Iva Eggert or Shelly Harden at 660.259.2440.

## Can I enroll online or by phone?

To enroll online, visit [HealthCare.gov](http://HealthCare.gov). You can also call 1.800.318.2596, which is available 24/7. (TTY: 1.855.889.4325)

**2018 ACA Open Enrollment begins  
November 1, 2017 and runs through December 15, 2017.**
