# Show-me ECHO

## Extension for Community Healthcare Outcomes

**Thursday, January 29<sup>th</sup> 2015**

**Dinner and presentation at 6:00 pm**

**HCC office, 825 S. Hwy 13, Lexington, MO 64067**

**Area rural healthcare providers are invited to join HCC and Missouri Telehealth Network to learn more about Autism ECHO Project.**

Show-me ECHO is a project that is designed to empower rural physicians with additional training and resources focusing on topics such as chronic pain management, Hepatitis C, Mental Health/ Substance Abuse, Autism, Diabetes, High Risk OB, and Infectious disease.

University of Missouri Telehealth Network staff will be in Lexington to provide information on the use of telehealth to increase access and quality of healthcare and provide education and research. If you have any questions please contact Toniann Richard at 660.259.2440 or via email [toniann@hccnetwork.org](mailto:toniann@hccnetwork.org) CME available.

Please **RSVP** to [heidi@hccnetwork.org](mailto:heidi@hccnetwork.org) by Tuesday, January 27th
