

DO YOU KNOW AN INDIVIDUAL WHO MAY BE IN CRISIS?

THE FOLLOWING MAY BE OPPORTUNITIES FOR TWO RIVERS TO ASSIST IN CRISIS INTERVENTION FOR THAT INDIVIDUAL:

- Suicidal ideation with a plan.
- Homicidal ideation with a plan.
- Acute psychosis that may be putting the patient or someone else at risk of harm.
- Alcohol detox
- Opiate detox
- Benzodiazapine detox (xanax, valium, klonopin, librium, ativan)
- Trauma, including history of sexual or domestic abuse.
- Chronic mental illness with acute decompensation.

Two Rivers Psychiatric Hospital serves children and adolescents older than 5; adults of any age, as long as they are medically stable and independent with ADLs. We offer inpatient and outpatient services. We accept Medicare, MO and KS Medicaid (for certain programs), and many commercial insurances.
