Live Life Well

Need Immediate Health Care for You and Your Child? We can help!

Our Live Well Community Health Centers in Buckner, Carrollton, Concordia and Waverly can help you determine eligibility and enroll in programs that offer immediate access to health care for you and your child.

Show-Me Healthy Babies Eligibility Requirements Include:

- Missouri residency.
- Must meet certain income guidelines.
- No current insurance or access to employer insurance or affordable private insurance which includes maternity benefits.
- Pregnant women cannot be eligible for Mo HealthNet programs (except for Uninsured Women's Health Services, Extended Women's Health Services or Gateway to Better Health).

We'll also help you enroll in other programs like Uninsured Women's Health Services and determine Presumptive Eligibility for you and your child.
