

# **MEDICAID EXPANSION** *in Missouri*

Please join the **Health Care Collaborative of Rural Missouri** for an intimate meeting of select community leaders to discuss the future of **Medicaid Expansion in Missouri** and the various health, fiscal and economic benefits of this important program. At this meeting, community leaders will discuss the impact of Medicaid Expansion and will plan for outreach to State Senator Pearce to encourage his support of this important program. Senator Pearce represents Senate District 21, which includes Caldwell, Carroll, Howard, Johnson, Lafayette, Livingston, Ray and Saline Counties.

Participants in the meeting will receive answers to their questions about Medicaid Expansion and tools including talking points and key messages, sample letters to the editor, sample newsletter columns and social media posts to use in their communication with lawmakers and neighbors alike.

**We hope that you will lend your voice to this important conversation.**
