## Who We Are

HCC Network (HCC) is a rural healthcare network and community health center that addresses patients' needs through a whole-person perspective, cultivating partnerships and delivering quality healthcare to strengthen rural communities. We monitor the availability of healthcare services, advocate for community members and providers, keep communities well-informed and hold our region accountable for its commitment to the health and wellness of all people in this area.

Thank you for choosing HCC Network. As a patient-centered medical home, our goal is to provide you with the most current, up-to-date care, including modern, evidenced based care. As your healthcare team we will work with you to set goals and help to find or provide educational resources to help you meet those goals. Our hope is that we can form a partnership to keep your whole self as healthy as possible, no matter what your current state is.

## Peer Recovery Support

Patients entering the recovery process from substance abuse or mental health disorders will be partnered with a Peer Support Specialist to empower them on their journey. Peer Support Specialists can offer Narcan, Narcan Training, Fentanyl Test Strips and resources.

## 340B Program

A U.S. federal drug discount program, 340B is utilized by HCC to help qualifying patients pay considerably lower prices for their prescription drugs. Our preferred pharmacies are:

- Britt's Central Drug in Concordia
- Minuteman Pharmacy in Lexington
- Crossetti Health & Wellness in Grain Valley
- Participating CVS Pharmacies

## HCC Rides

Our transportation program bridges the gap in public health access, picking up patients at their homes and taking them to appointments with HCC providers.

HCC's community-based programs include transportation, Medicaid and Medicare enrollment, health education, outreach and advocacy.
